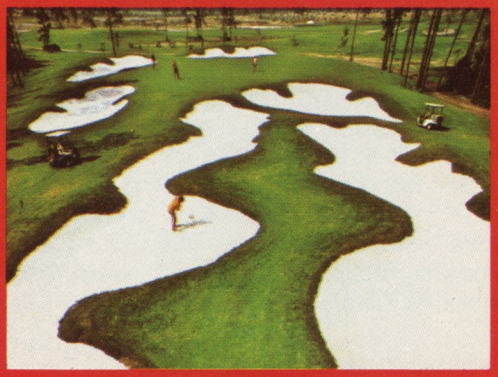
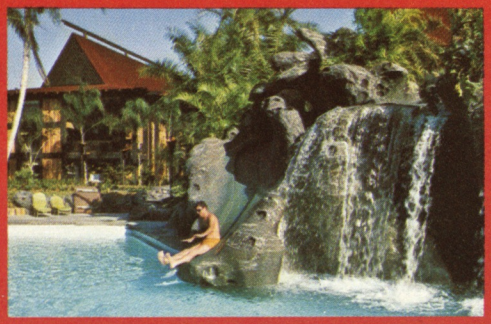
The Vacationer's Guide to

Walt Disney World®

© 1975 WALT DISNEY PRODUCTIONS





At Walt Disney World, most people know us by our Magic Kingdom theme park. But, in addition, we have 43 square miles of other great things to do. Recreation, dining and entertainment. Three unique resort hotels, a campground resort, a shopping village, and a host community called Lake Buena Vista. When you come to Walt Disney World, we want you to see it all!

Stay at the futuristic Contemporary Resort Hotel, the romantic Polynesian Village, championship Golf Resort, or our beautiful Fort Wilderness Campground Resort.

Go sailing, motor boating, water skiing and swimming in 650 acres of lakes. Or hiking, biking, canoeing, or fishing. Play golf — on all three of our championship courses. And tennis — on nine professional courts.

Sample a dinner show with celebrity entertainment in a penthouse supper club, The Top of the World. Enjoy a Polynesian feast and native dances at a Luau. Or chow-down on home-style cookin' and watch the rip roarin' Pioneer Hall Hoop-Dee-Doo Musical Revue.

Dine on Chateaubriand at the Lake Buena Vista Club. Savor Chicken Pago-Pago in a romantic verandah overlooking Papeete Bay. Or snack on crab claws and Strawberry Margaritas in an octagonal Oyster Bar surrounded by the Buena Vista Lagoon.

Shop the streets of the world at the Lake Buena Vista Shopping Village in our host community. Watch Old World craftsmen practicing the arts of crystal cutting and gold engraving, saunter among the 29 cedar-shingled shops and peer into the workings of a candy factory.

And, of course, see the Magic Kingdom! Where six themed lands capture the spirits of history, fantasy and adventure — with magic. Stroll beneath the soft glow of gaslights in turn-of-the-century America on Main Street, U.S.A. Sail with a crew of rowdy pirates and explore the tropical rivers of the world in Adventureland. Let a group of zany singing bears entertain you in the Old West atmosphere of Frontierland. Walk along Liberty Square's cobblestone streets and re-live America's struggle for freedom. Then greet your favorite childhood storybook characters amidst the happy aura of Fantasyland. Finally, travel to a visionary future of rockets and space journeys in Tomorrowland.

And, join our nation's happiest Bicentennial salute, "America On Parade". Watch this sparkling, larger-than-life procession of special parade units and "People of America" characters as they re-create 200 years of American history every day in the Magic Kingdom through September 6, 1976.

Come see it all. At Walt Disney World, we have 43 square miles for you and your family to discover, explore and enjoy!

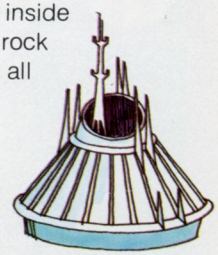
Magic Kingdom

In the Magic Kingdom theme park there are six themed "lands" — Main Street, U.S.A.; Adventureland; Frontierland; Liberty Square; Fantasyland and Tomorrowland — each with its own restaurants, shops and attractions.

Along Main Street, U.S.A., ride a doubledecker bus, dine in a Victorian restaurant, visit a silent movie cinema, or listen to a barbershop quartet. Board the "Jungle Cruise" in Adventureland, listen to "Enchanted Tiki Birds" sing, and shop for exotic bargains at "The Traders of Timbuktu". Frontierland holds laughter at the "Country Bear Jamboree", and a Wild West stage show (with a cast of dancing girls) in the "Diamond Horseshoe Revue". Steam down the Rivers of America aboard a Liberty Square Riverboat, visit the "Hall of Presidents" — where, through the magic of audio-animatronics, all 37 presidents "come-to-life" on stage — then browse through Olde World Antiques and the Silversmith Shop. In Fantasyland, visit old friends Peter Pan, Dumbo, Show White and Mickey Mouse in their delightful attractions — and take an exciting voyage "20,000 Leagues Under the Sea". Journey to the future inside thrilling "Space Mountain", listen to a rock band while you dine, then glide above all Tomorrowland aboard the electro-magnetically powered WEDway PeopleMover.



There are more than 40 attractions in the Magic Kingdom — ranging from horse drawn trolley rides to hurling journeys through space or visits with ghosts in a haunted mansion. A ticket coupon (designated from "A" to "E") is necessary for admission to each attraction.

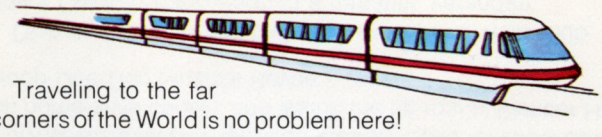
Most guests spend two days visiting the attractions and exploring the 70 shops and restaurants in six lands. A variety of bands stroll throughout the Magic Kingdom, playing every kind of music from Dixieland jazz to a country-western revue. And Mickey and Minnie, Winnie the Pooh, Goofy, Donald Duck and all the Disney favorites are waiting to shake a hand and share the fun of the Magic Kingdom.

Polynesian Village Resort

South Seas Island atmosphere surrounds eight native "longhouses" with nearly 500 guest rooms in the Polynesian Village Resort. White sandy shores along Papeete Bay are inviting for sunbathers and swimmers, while boaters enjoy a wide variety of water recreation on the lake. A swimming pool with its own tropical waterfall is situated among the tropical foliage and flaming Tiki torches.

The Great Ceremonial House features six restaurants and lounges — from the Barefoot Snack Bar to the elegant Papeete Bay Verandah — and the beachside Luau Cove is the site for nightly Luau feasts.

Transportation



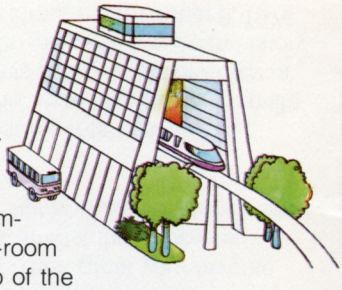
Traveling to the far corners of the World is no problem here! The Walt Disney World transportation systems can take our guests anyplace they'd like to go.

A Magic Kingdom admission ticket entitles day guests to an entire day and evening's use of the monorails, ferry boats and motor coaches connecting the Magic Kingdom and the four resorts. Going to a Luau is as easy as boarding a monorail! Take a motor coach to play 18-holes at the Golf Resort. Ride a monorail to dinner at the Contemporary Resort — even stay late for a nightcap at Captain Cook's Hideaway in the Polynesian Village — and still find a motor coach waiting for transportation back to the Main Parking area.

Guests who wish to return to the Magic Kingdom later the same day should have their hand stamped before exiting for readmission without additional charge.

All guests of Walt Disney World resorts are issued identification cards which allow them unlimited use of all transportation systems during their entire stay. Additionally, resort guests may ride a complimentary shuttle bus to the Lake Buena Vista Shopping Village.

Contemporary Resort Hotel



Sleek monorails glide through the spectacular Grand Canyon Concourse of the Contemporary Resort Hotel. The 14-story A-frame Tower and adjacent North and South Garden Wings on Bay Lake comprise Walt Disney World's 1046-room "futuristic" hotel. From the Top of the World supper club to the Sand Bar on the beach, eleven different restaurants and lounges provide a variety of food and refreshment.

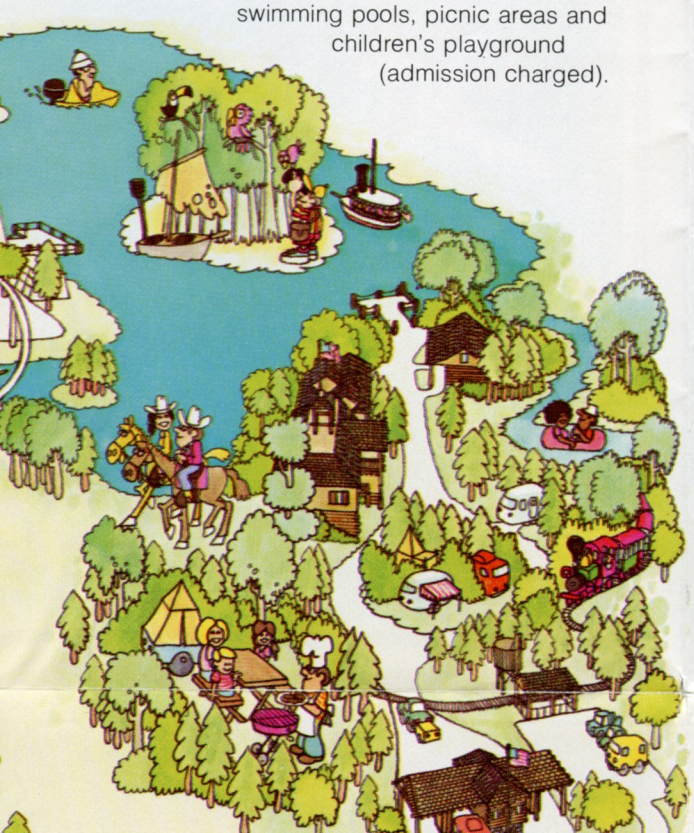
Popular recreational activities include boating and swimming along the white sand beaches of the 400-acre Bay Lake. In addition, there are three pools and four tennis courts.

Wilderness Recreation

Lovers of the outdoors enjoy a variety of recreation at the Fort Wilderness Campground Resort. Hiking down nature trails, fishing and canoeing along shady canals, bicycling on quiet roadways, and chugging along on an authentic steam train are great ways to spend a day outdoors.

The Wilderness Line steam train attraction transports guests and campers into Fort Wilderness and on a scenic journey throughout the campground (admission charged).

A water recreation area in Fort Wilderness is planned for summer 1976, featuring a giant swimming hole, raft rides, water slides and other attractions, plus swimming pools, picnic areas and children's playground (admission charged).

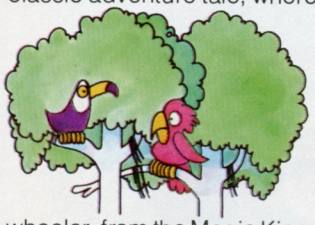


America On Parade

A 20-foot ice cream cone, a 16-foot turkey, a giant telephone with a "jitterbugging" receiver, plus Pilgrims, Keystone cops and Betsy Ross are just part of the huge procession of parade units and "People of America" characters in "America on Parade". Two hundred years of America's most memorable moments are recreated in this larger-than-life salute to our nation's Bicentennial. The three-quarter-mile long parade travels through the Magic Kingdom daily (and twice daily during extended hours when the Magic Kingdom is open till midnight or later) until September 6, 1976.

Treasure Island

Chart a course for Treasure Island, mates! Discover a tropical paradise like the one in Robert Louis Stevenson's classic adventure tale, where colorful peacocks and spotted Guinea fowl roam freely among splashing streams and exotic plant life. Then "chat" with talkative cockatoos and macaws. Board the World Cruise, an authentic 18th century side-wheeler, from the Magic Kingdom dock. Learn the history and future plans of Walt Disney World on this leisurely voyage to Treasure Island. Or, travel to the island via motor launches from the Contemporary Resort, Polynesian Village, Fort Wilderness and Magic Kingdom docks.



A coupon for a World Cruise to Treasure Island is included in the Magic Kingdom 2-day ticket book.

Water Recreation

With 650 acres of lakes, Walt Disney World is up to its ears in water!

Walt Disney World resort guests may swim along 4½ miles of sandy beaches and enjoy a variety of boating activities on Bay Lake and the Seven Seas Lagoon. Mini-speedboats called Aqua Larks, "people-powered" Pedal Boats, and electrically powered Bob-A-Rounds provide hours of boating fun. Sunfish and Hobie Cat sailboats dot the water on breezy days, and adventuresome guests enjoy water skiing any time.

Fort Wilderness Campground Resort

Bordering Bay Lake, the 650-acre Fort Wilderness Campground holds more than 700 fully equipped, secluded campsites. Each site includes picnic table, electrical outlets, charcoal grill, water and sanitary disposal system.

Campers enjoy swimming in sparkling Bay Lake, as well as a variety of boating activities. In addition, there is hiking, bicycling, canoeing and fishing in the campground resort, plus the Wilderness Line steam train attraction.

Nighttime activities include campfires under the stars with Walt Disney movies, canoe excursions and the "Hoop-Dee-Doo Musical Revue" at Pioneer Hall. Pioneer Hall also features a restaurant, snack bar and penny arcade; two Trading Posts provide all other essentials.

Golf Resort

Located just steps from the greens of the championship Palm and Magnolia courses, the Golf Resort Hotel provides 151 luxurious accommodations. Additionally, there are putting greens and driving ranges, plus two lighted tennis courts and a swimming pool.

The Trophy Room features family dining in a country-club atmosphere.

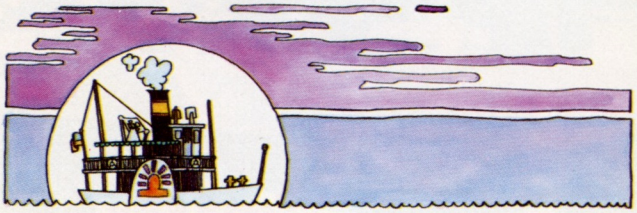
54 Challenging Holes of Golf

Golf where the pros golf. Play the same holes that challenge the pros in the PGA National Team Championship each year: the Palm and Magnolia courses at the Golf Resort. Or, try your skills on our third course at Lake Buena Vista.

Both locations feature driving ranges, practice greens, club and shoe rental, pro shop, clubhouse, and special twilighter golf rates. All courses are open to the public. Call (305) 824-2200 for tee-off times.

Moonlight Magic

Mood music, cocktails and twinkling nighttime scenery set the stage for a romantic Moonlight Cruise, a leisurely grand-circle tour around the Waters of the World aboard an authentic sidewheel steamship. Cruises depart each evening from the Polynesian Village, Contemporary Resort and Fort Wilderness docks.



Passengers aboard ship, as well as those ashore, may also view the sparkling, musical Electrical Water Pageant. King Neptune and his creatures from "the deep" form a fantastic procession of leaping dolphins and smiling sea serpents as they travel across the darkened waters of Bay Lake and the Seven Seas Lagoon.

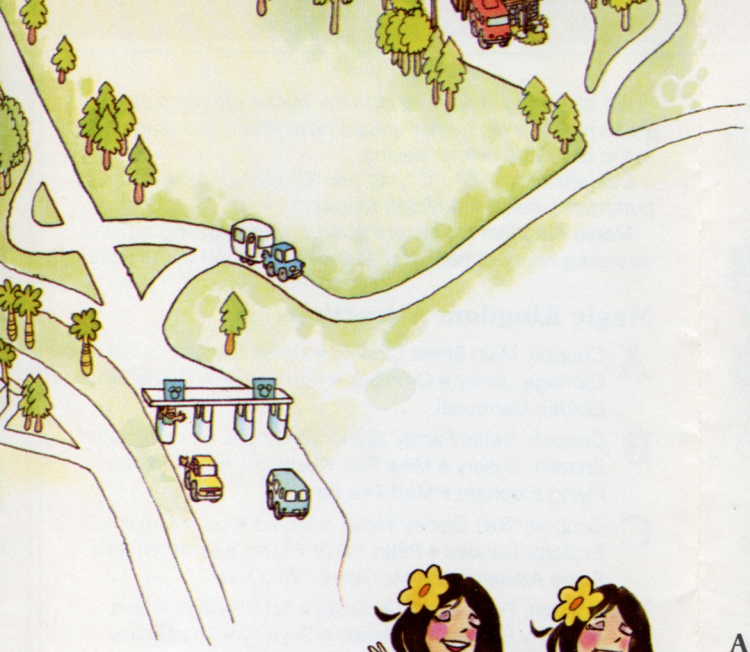
Dining

When it's time to eat, choose from over half-a-hundred Walt Disney World restaurants. Begin with a scrumptuous breakfast buffet at one of our resorts. Or, have pancakes and eggs in the Town Square Cafe on Main Street, U.S.A. On Sunday mornings, the Top of the World hosts a Champagne Brunch on the 15th floor of the Contemporary Resort.

In the Magic Kingdom, there are thirty-one restaurants themed to each of the six lands — from historic Liberty Tree Tavern to King Stefan's Banquet Hall in Cinderella Castle. At lunch time, have a wild west feast at the Pioneer Hall Buffeteria in Fort Wilderness. Or, sample some island cuisine at the Coral Isle Cafe at the Polynesian Village. More family dining spots include the fourth floor restaurants of the Contemporary Resort (where monorails glide by directly overhead), the Trophy Room at the Golf Resort or Heidelberger's Deli at the Lake Buena Vista Shopping Village.

For an elegant dinner, savor Roast Rack of Lamb at the Lake Buena Vista Club, Steak Diane at the Gulf Coast Room (Contemporary Resort), Beef Bora Bora at the Papeete Bay Verandah (Polynesian Village) or New Orleans Bouillabaisse at The Village Restaurant (Lake Buena Vista Shopping Village).

Of course, there is also a wide variety of Walt Disney World restaurants perfect for a casual family supper.



Dinner Shows

When the family wants a special "night out", Walt Disney World provides three distinctive dinner shows — for just Mom and Dad, or for the entire family.

Enjoy a breathtaking panorama of the Vacation Kingdom aglow, have a great meal and be entertained by top name celebrities at the 15th floor Top of the World supper club. (Coats for gentlemen, please.) Two dinner shows nightly at the Contemporary Resort Hotel. Call (305) 824-1000 for reservations.

Sip Mai-Tai cocktails under the stars in a romantic lakeside cove. Then feast on a Polynesian banquet while native islanders entertain with traditional songs and fire dances. Two luaus nightly at the Polynesian Village Luau Cove. Call (305) 824-8000 for reservations.

Have a hand clappin', foot stompin' good time at the "Hoop-Dee-Doo Musical Revue". Chow down on barbecued ribs, fried chicken, apple pie, beer and sangria. "All you can eat and drink!" Two shows nightly at Pioneer Hall at the Fort Wilderness Campground Resort. Call (305) 824-8000 for reservations.

Walt Disney World dinner shows are presented nightly year-round and are open to all.

A Shopping Village

Just 10 minutes away in our host community, the Lake Buena Vista Shopping Village is a unique collection of 33 cedar-shingled shops and restaurants clustered on the edge of the Buena Vista Lagoon. Old World craftsmen work at pottery, crystal cutting and Toledo gold engraving. Candy makers shape giant lollipops before a fascinated audience of shoppers in a candy factory.

Discover European and Oriental antiques, imported gifts, designer originals and elegant jewelry — in such fascinating shops as Von Otto's Antiques; Port of Entry; Cane, Wicker, Rattan & Suns; Carolyn's Couture and 24 KT Precious Adornments. Savor the flavors of imported beers, international cheeses, fresh-ground coffees and homemade candies in The Village Spirits, Gourmet Pantry and Candy Factory. Then browse through Toys Fantastique, the Pottery Chalet, The Flower Garden, and Posh Pets. The Village Restaurant, Cap'n Jack's Oyster Bar, The Lite Bite and Heidelberger's Deli satisfy hungry shoppers' appetites.

The Village is open daily from 10 a.m. to 10 p.m. Take Interstate-4 to the Lake Buena Vista, SR 535 exit. Go north on 535 to Preview Boulevard, then left for less than a mile.

Tennis

Tennis anyone? At Walt Disney World, yes!

Walt Disney World guests may enjoy this popular sport on a total of nine professional courts at the Contemporary Resort Hotel, Golf Resort and Lake Buena Vista Club. Call each location for court reservations.
